

Celebrate America's Military 2017 Hidden Hero Award Nomination Form

This year, the San Antonio Chamber of Commerce is presenting the 47th Annual "Celebrate America's Military" (CAM) festivities from November 1st through November 18th. CAM is a unique tradition unlike any other in the world where our community expresses appreciation to the men and women who serve and have served our Nation. It is one of the oldest and largest community-wide celebrations of the military throughout the United States and a reason why San Antonio is known as "Military City, USA."

This year, we would like to recognize "Hidden Heroes" in our military community who routinely give their time, energy and skills as expected, and then consistently give an extra measure to their military duties, and many to the civilian community in which they live. There are many of these men and women who have saved lives, have supported vital missions, and have accomplished other key achievements that often go unnoticed. We will recognize these heroes at the signature event of CAM, the Spirit of America Dinner (date/time/location to be determined).

Please submit your nomination for an individual (Active Duty, Guard, and Reserve Service Members) who you feel should be recognized for the great things he/she has accomplished, or perhaps the manner in which he/she completes daily duties, above and beyond the standard. These nominations are intended to recognize individual military members who have **NOT** received military awards for their actions, but who continue to surpass what is expected of them (our unsung heroes). Hidden Heroes award recipients will be notified NLT October 18, 2017. Further details on recognition and honors will be given at that time.

Thank you for helping us recognize our Hidden Heroes!

Nominations will be accepted until October 4th, 2017.

E-mail nominations to Lori Stinson @ lstinson@sachamber.org.

Celebrate America's Military Hidden Hero Award Nomination Form

Due NLT October 4th, 2017
