

Save the Date Military and Veteran Career Event

Network with Recruiters,
Veteran Employees, and
Business Leaders

Presentation on How to
be Successful in a Digital
Environment

Career Exploration
and Bring Your
Resume for Review

In honor of our month-long Veteran's Day celebration, we invite you to join us for a Military and Veteran Career Event hosted by WellMed, which is part of Optum and the UnitedHealth Group family of businesses.

In partnership with the United Service Organization (USO), we welcome all military service members, spouses and veterans to network with our team members and learn about the career opportunities within our organization.

At the event, meet some of our employee veterans to hear about their role, transition and experience working at UnitedHealth Group. Business leaders and recruiters will also be available to review your resume and help identify career opportunities that fit your military skill set.

Join us for this exciting event to explore and chart your career path to do **your life's best work.**SM

Thursday, November 1, 2018
11:30AM - 2:00PM CT
