

GOVERNOR GREG ABBOTT

April 30, 2020

Ms. Emily Knight  
Texas Restaurant Association  
PO Box 1429  
Austin, Texas 78767

Dear Emily:

As you know, Governor Abbott's executive order GA-18 limits the occupancy of restaurants for dine-in restaurant services to 25% of the total listed occupancy. This limitation is for the number of restaurant customers in the restaurant, and does not include essential employees of the restaurant.

Sincerely,

Luis Saenz  
Chief of Staff
